Re: Ex Parte Notification – WT Docket No. 02-55

Dear Ms. Dortch:

On November 10, 2004, representatives of the 800 MHz Transition Administrator (“TA”) Brett Haan, Daniel Head, and Keith Kuder of BearingPoint, Inc.; Robert B. Kelly, Douglas L. Povich, and Angela Simpson of Squire, Sanders & Dempsey, LLP; and Alan J. Boyer of Baseline Telecom, Inc. met with Michael J. Wilhelm, Herbert W. Zeiler, Roberto Mussenden, Brian Marengo, David Furth, and Jeannie A. Benfaida of the Wireless Telecommunications Bureau and David E. Horowitz and Elizabeth Lyle of the Office of General Counsel regarding the above-captioned proceeding. Terry L. Fishel, Tracy Simmons, and Judy Kassakatis Dunlap of the Wireless Telecommunications Bureau also participated telephonically.

Meeting participants discussed the status of the TA’s initial and ongoing efforts to seek input from the various stakeholders interested in the 800 MHz rebanding process and timing and procedural issues surrounding the TA’s initial deliverable of a NPSPAC reconfiguration schedule and ESMR elections. With regard to the TA’s initial deliverable, discussion included the inter-relation between the NPSPAC reconfiguration schedule and ESMR elections, the prioritization criteria to be used for the relocation schedule, ESMR notification of election requirements and the election process, and the proposed level of detail and explanation to be contained in the initial deliverable.

Pursuant to Section 1.1206(b) of the FCC's rules, 47 C.F.R. § 1.1206(b), this letter is being filed electronically for inclusion in the public record in the above-captioned proceeding.

Sincerely,

/s/ Robert B. Kelly
